

DAY OF BUILDING

TEAM-ORIENTED WORKSHOPS FOR CREATIVE DEVELOPMENT

2024

TEAM BUILDING EVENTS

Strengthen your organization with **team building workshops** tailored to your company. We've found that working with our hands and using practical skills is a great way to get out of a rut, fight burnout, and boost creativity.

Our instructors craft experiences that feature engaging challenges designed to bring your group together, allowing participants to naturally **develop leadership, communication, conflict resolution, and problem solving skills** through guided, open-ended, collaborative projects.

We offer projects that span half a day, a full day, or even multiple sessions, and ADX can work with you to craft the most **valuable experience for your team.**

PROJECT IDEAS

- SCREEN PRINT A LOGO
- BUILD A CUTTING BOARD
- TUFT A RUG
